Hey! You're early today!

What's up?
The two of you are standing there in a daze...
W... Well... Hahaa...
It's like I was more nervous than usual or something...

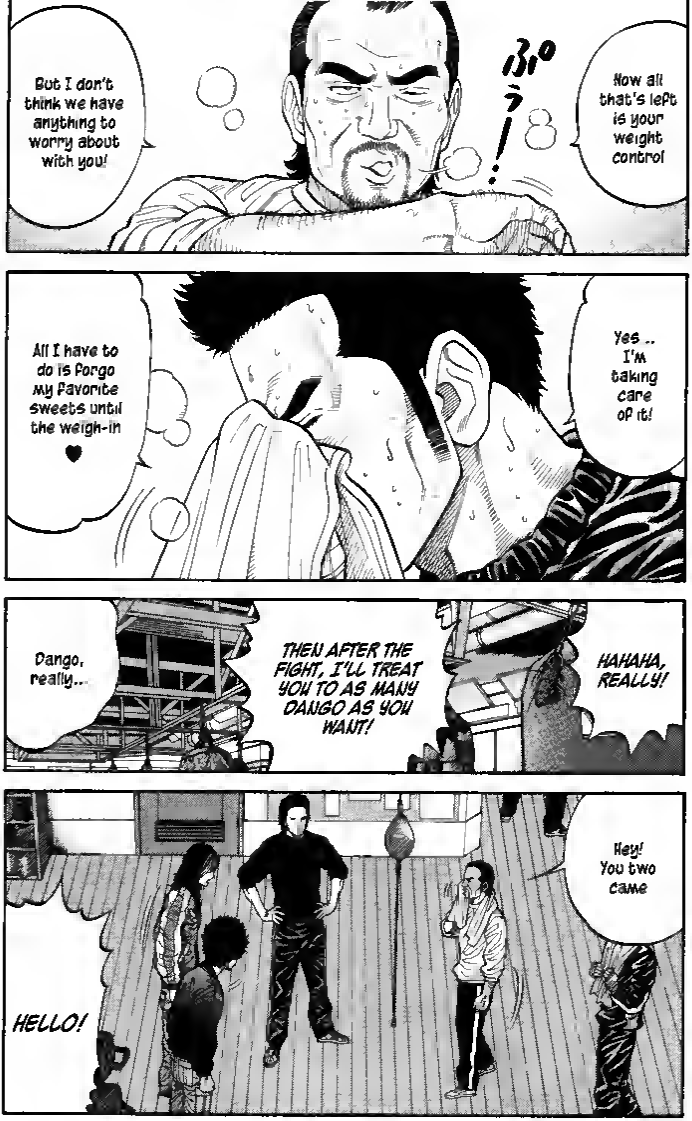
AL-RIGHT!
TODAY'S MENU IS DONE!



Now all that's left is your weight control
ふぅ〜!
But I don't think we have anything to worry about with you!
Yes .. I'm taking care of it!
All I have to do is forgo my favorite sweets until the weigh-in ♥
HAHAHA, REALLY!
THEN AFTER THE FIGHT, I'LL TREAT YOU TO AS MANY DANGO AS YOU WANT!
Dango, really...
Hey! You two came
HELLO!

What's with this personality difference once he's out of the ring..?
No no... Please don't worry about it!
Whoops... "You guys" is too rude!
You're older than me, Iwamatsu-kun.

TL NOTE: S FOR SAVIST

If you're like that, should I train you some more right now?
Ah! Please spare me!
I'll break something before the match
That guy's a real S ♥
Hey hey Kazuhiko!
But it's really rough with Thunder-san as your trainer, isn't it~~?

You guys are lucky
Truly, there's luck... in this world
In various senses.
To be exclusively trained by someone who had been at the top of the world until just recently!
Something like this is very rare!
Make sure...
You don't make waste of that luck!

This might be tough more or less...
What?
Umm...
I've been concentrating on passing the pro test and skipped it...
Ah... That's right
I've never done something like that.
This... punching ball thing...
Then let's go do it once...
Go stretch and put your handwraps on!
YES!

Hit it accurately ..With small quick punches
This is used to develop speed and rhythm. . Accuracy of punches and dynamic vision
Mori... Try it!
Yeah ..

You're next, Iwamaki!
This is good enough!
Ah— I got it, I got it!

Hmmm
This looks unexpectedly simple...
Alright

And what's with the lack of rhythm besides?
Didn't you use to play rock? As a rock musician ~~~!?

Haha... This is terrible
Please concentrate on your training, Rikitarou-san!
Ah... I'm sorry!
Wha... What's that?
TANOMOOOOOUUU!!
No idea..
Who are they?

Dojo yaburi (lit. dojo breaking) is an old Japanese practice of going to a dojo of a different school to challenge its members to a match, working your way up to the sensei. The losing dojo might even be disbanded. The challenge may be initiated by yelling "tanomou"

Hehe...

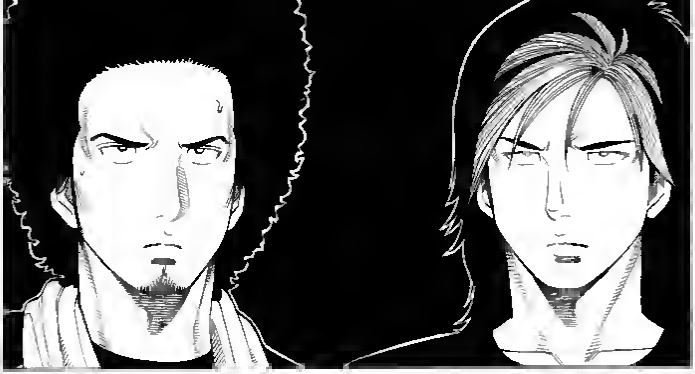
Right right! I had the honor of seeing you on TV

Frankly, I just couldn't accept that..
I mean, they often fake stuff on TV, don't they?
But...
Well, I've done some karate and judo in the past too...
So I love martial arts shows
So I thought I'd confirm this myself..
But would you please have a match against me?
I don't care which one of you.



Hey hey! What are you talking about after suddenly barging in?

Come on! Shoo shoo!
We might arrange for a sparring match if you were our gym members, but ..

We don't accept anything like that!
This isn't some old style dojo!

Our gym members ...

A... Alright~ I got it...
This request... Is not out of the question!
Hmm?
Huh?

But if you lose—...

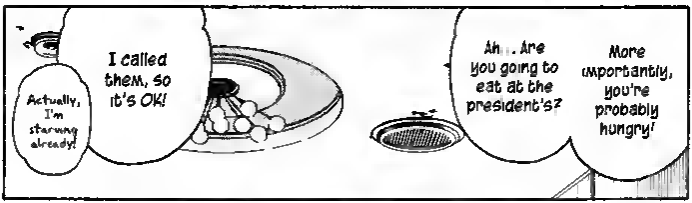
I... Isotani-san!
Hello there ♥
Don't think about skipping morning roadwork ...
I can't promise anything ...
Looks like you're braving it
Yeah... I just wanted to talk to you, Iwamaki-kun
Why are you here? The practice has already finished?

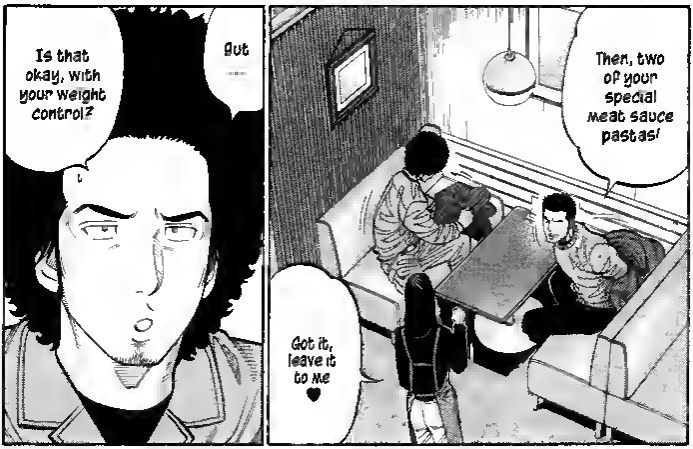
TL NOTE: SHOUWA IS THE PERIOD FROM 1926 TO 1989 IN JAPAN, WHEN BOTH OF THESE CHARACTERS WERE BORN

Hello!
This is Iwamaki-kun! You know, the one on TV...
What happened? Why are you here at this time
Even though you have a fight coming up
Today is special ♥
AH ～～ IT'S TRUE!!
I FINALLY GET TO MEET YOU ～～ ♥
Hmm? Together?
Can I shake your hand?
Kya ♡
We've always watched your show together!
Uh... W ... Well

I'm Erika! Please stop by any time you feel like!
There's practically no one here besides me
What do you mean "like"?
Well, she's like... my girlfriend?



Actually, I'm starving already!
I called them, so it's OK!
Ah... Are you going to eat at the president's?
More importantly, you're probably hungry!



Is that okay, with your weight control?
But
Got it, leave it to me ♥
Then, two of your special meat sauce pastas!

Don't worry ♥
I've been doing this for 4 years?
It's all been calculated!
WOW!?
J...Just go bring it!
Not everything can be calculated in your private life~~
You're getting along great ♥
Isn't it~~? When it comes to cooking, she's great!
WHA... WHAT IS THIS!? I... IT'S REALLY AMAZING!
Even though it's simple meat sauce!

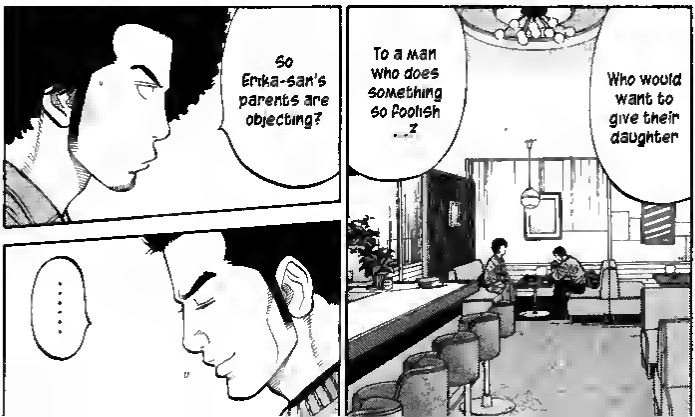
How is it?
Living with a kid ...
So... What did you want to talk about?
Yeah...
With... a kid?
Somehow, I feel more at ease...
But with him just being there...
Yeah... Well, it's tough... He's noisy, doing all sorts of weird stuff...
It takes a lot of time and effort!

Mmm mm...
Children, they're all, you know, squishy?
When he sleeps, his face is just too cute!
So before I notice I end up poking him♥
It's something
Suddenly, it brings out all sorts of motivation in me～～!!
I end up thinking "I'll work hard again tomorrow for his sake!"
I feel easier now that I've listened to your story, Iwamaki-kun! Thank you!
Easier ...?
Whoops
I'm sorry I just keep blabbing
Nahaha...

We're going to have a baby..
Actually...
So that's what couldn't be calculated
You! You!
AH...
Yeah... I have to be more honestly happy
Eh? Is there a problem?
No, no
Congratulations
Haha...
It's really embarrassing..

Honestly, that alone won't put the food on the table in this world, will it?
...As a boxer...

Even if I fight putting my life on the line, the fight money is a pittance...
If you're a Japanese ranker and are famous enough, it's good, but I'm a nobody



So Erika-san's parents are objecting?
To a man who does something so foolish ...?
Who would want to give their daughter
.....

I just don't want to have any regrets!
Maybe it's my selfishness... Maybe I can't quit just yet—
If I think of Erika and our child, I have to get a normal job at once so I can support the family...
That's why I will put all of me...
Into this title match!
And then I will make a proper marriage proposal!
I'll become the strongest man in Japan

No... It sounds cool...
Haha... Doesn't it sound stupid!? Nothing will change with just the Japanese title...
That sort of man is cool!!
A man who makes his own path without caring about the opinion of society...
Thank you!!
.....
No, no, that's
YOU'RE REALLY A FATHER!
YEAH~~~ TALKING TO YOU IS SO REASSURING

I'm sorry... You even treated me to a meal!
It's me who's sorry... For dragging you here when you were tired
When I become the champion, I'll take you to a classier place!
Haha...
What are you talking about!? When that happens, I'll be the one treating you!
Alright! Until that time, then ♥
See you at the gym!
THANK YOU!

Boxing is mysterious!
That kind of a nice man in a title match...
He's a good man...
Isotani-san...
I should have him meet Aozora tomorrow!

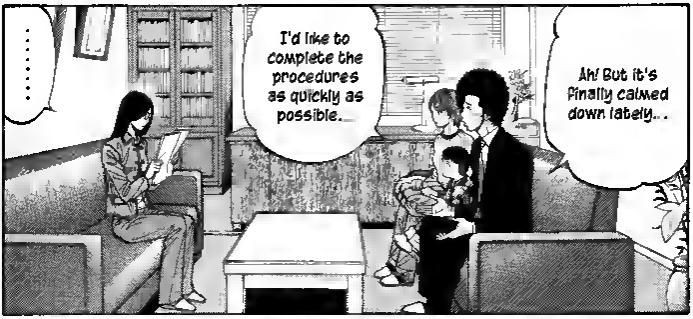
PRINCIPAL'S OFFICE

I'm Iwamaki! Pleased to meet you!
I'm the principal, Shimada
Please sit down

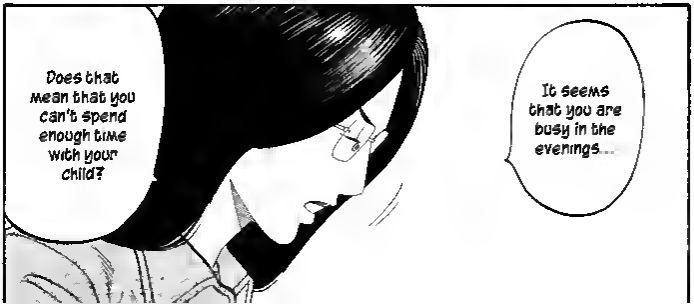
I've looked at your paperwork
Let me get to the point...

Uh... Y- Yes ...
Certain things happened ...
It seems that you are not Aozora-chan's real parent
Iwamaki-san...

So I didn't prepare for that...
I.. It's because my life has been pretty hectic...
As his guardian, you're having him live with you
But you're not adopting him.



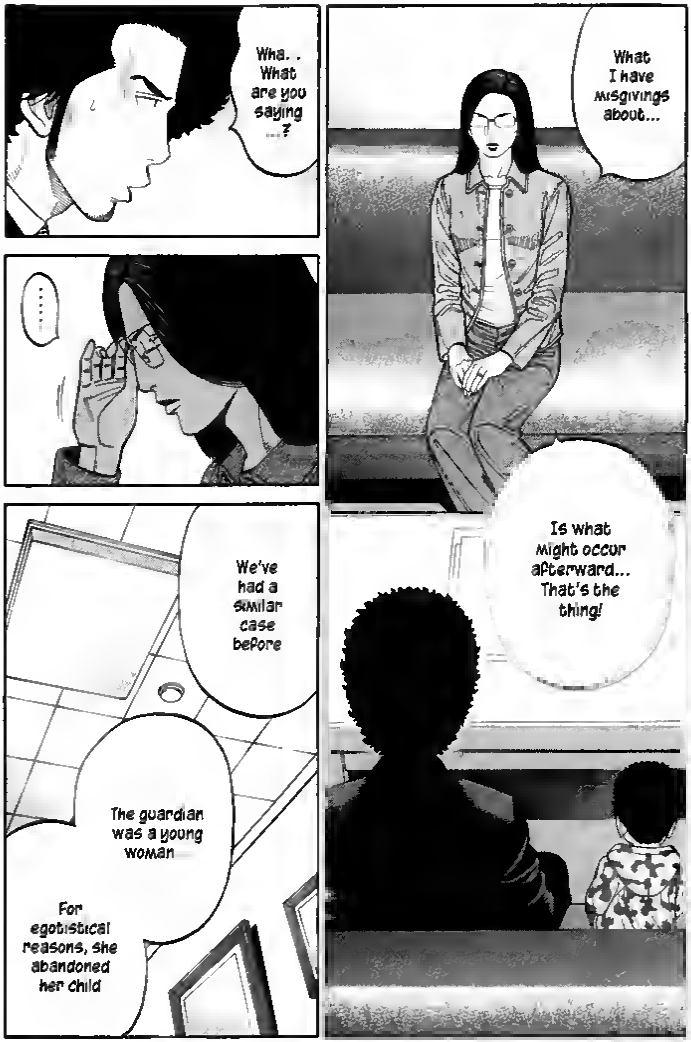
.....
I'd like to complete the procedures as quickly as possible...
Ah! But it's finally calmed down lately...



Does that mean that you can't spend enough time with your child?
It seems that you are busy in the evenings...

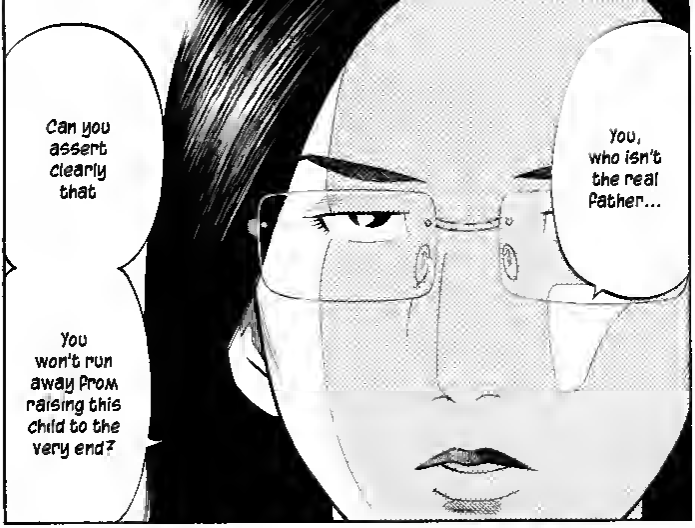
.....
Well... It's...
No...
Umm
What's your relationship?
And you are...?
Is that not sufficient?
We've received permission from the Welfare Department

The daughter in the house where Aozora and I are currently staying...
Sh... She is...
Nothing like that...
N... No...
Are you engaged?
Certainly... There are no formal problems in enrolling your child in our facility
However...

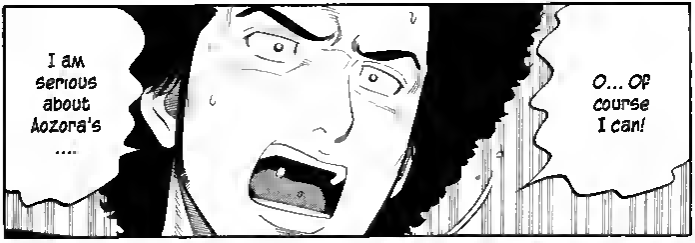


Wha. . What are you saying ....?
What I have misgivings about...
.....
Is what might occur afterward... That's the thing!
We've had a similar case before
The guardian was a young woman
For egotistical reasons, she abandoned her child

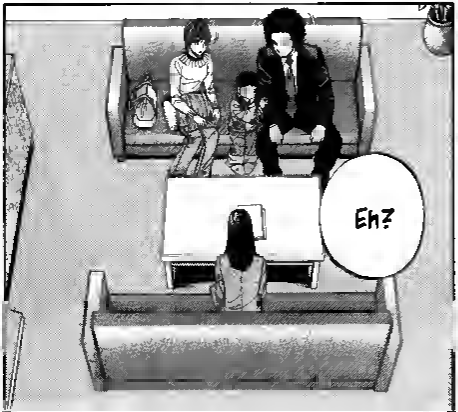
In the end, I was forced to...
Lead that child by the hand to an institution!
There's nothing sadder for a child
than to be abused by an adult's ego!
Can you guarantee... that something like that won't happen?



You, who isn't the real father...
Can you assert clearly that
You won't run away from raising this child to the very end?

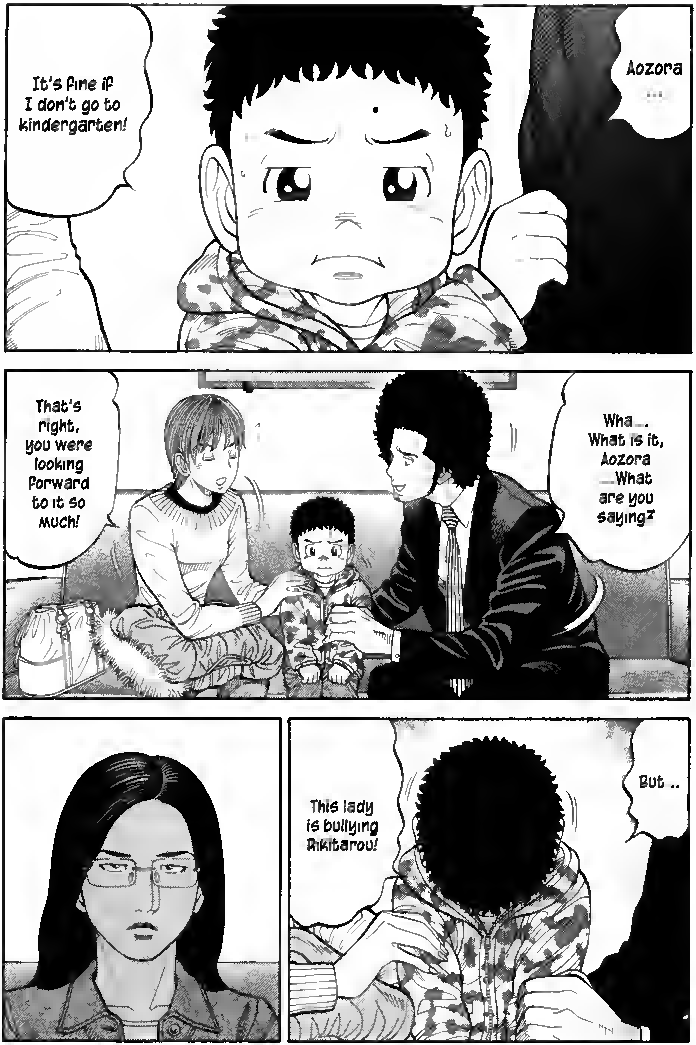


O... Of course I can!
I am serious about Aozora's ....



Eh?

I... I won't go!



Aozora ...
It's fine if I don't go to kindergarten!
Wha... What is it, Aozora —What are you saying?
That's right, you were looking forward to it so much!
But ..
This lady is bullying Rikitarou!

Even though she doesn't know anything about Rikitarou!!
Rikitarou is really nice!
Even though he's busy, he plays with me
We even take baths together.
When I go to sleep, he always sings for me
Although they're all weird songs that Rikitarou likes....
...
Why...
Why isn't Rikitarou good enough...?

RIKI-TAROU IS
A REAL PAPA TO ME!!
...Aozora...
Because he's my papa...

Thank you ..
Thank you, Aozora...
Yeah...
It seems... My prying was excessive...
I've been too rude.
Please accept my sincere apology
Eh...?
So... Then?

No way, no way, no way!
I'll just be a hindrance, that's all!!

It's just some fine-tuning that's left...
Of course, it's only during the time after you get off work...

Well... Personally, I don't mind

I'm sorry, but we'll be borrowing Rikitarou for this week
There you have it!

It's just that I really doubt Iwamaki will be able to keep up with Kazuhiko's menu!
But he's doing what he needs to do before the fight!
IF I were pushed to say it, there's some unease in his mental state
We can't help it ..
Depending on circumstances, we might even have to reduce his practice time
You've probably heard as well? That Kazuhiko will have a baby
Yeah
So given that... For some reason he feels calmer just from being with Rikitarou
Because he's his senpai when it comes to raising kids

Two birds with one stone, right? ♥
This is also a good chance to show the severity of being a pro to Rikitarou
But still... Why did it have to be someone like me?
I have to do my best so I don't drag him down~~

It's because Kazuhiko ...
Is too strong
You want to know?
P... President ...
Too... strong ..?
If you're strong... you can become a champion, right ..?

Round.44 END

ENDLESSABYSS.HOST56.COM

ROUND.45 THE MAN WHO IS TOO STRONG

Because Kazuhiko is too strong

The reason Kazuhiko hasn't become a champion until now...
Is—
...

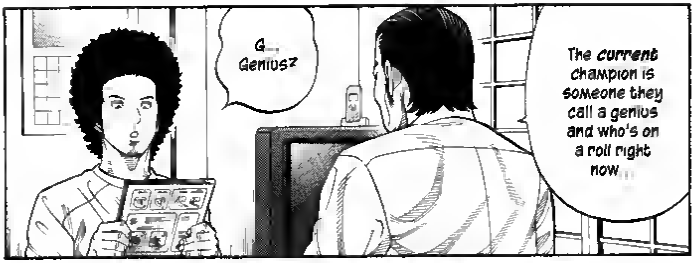
If you're too strong . You can't become a champion ...?
Eh...

Kazuhiko joined our gym five years ago
From the very start, there was something amazing about his punching power...
The person himself thought he'd go here just to work out
Kuku It's just like him, isn't it?
Although he became a pro in one year. In his debut fight he was nervous and stiff
He lost by decision with a big margin!
Well, he was a normal boxer
But this is where it started to go differently

He had some makings to begin with, but he's also serious and persistent
He used his "loss" as a spring to rebound and train many times harder than anyone else. He powered up before my very eyes
After that, his fighting record became tremendous
Eight consecutive KOs!
Before we could blink, he rose up to be a Japanese ranker

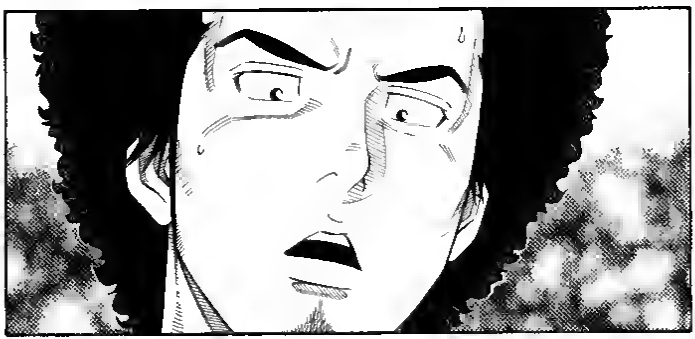
And yet, what went wrong...?
We made an offer to the champion time after time
But he kept slithering away...
Like I said just now? He was too strong
He... Ran away..?
If you're strong, you can fight, can't you!?
No... Not really
To put it roughly ...
A champion can choose his opponents!

That's unfair...
You can't help it... It's just another tactic
B... But finally, the chance came, right!?
So then he's as good as the champion already!?
I mean, he's too strong, and his opponent has been trying to run away...
Eh?
If he had to fight the guy who was the champion until now, yes.
Boxing Spirits 11



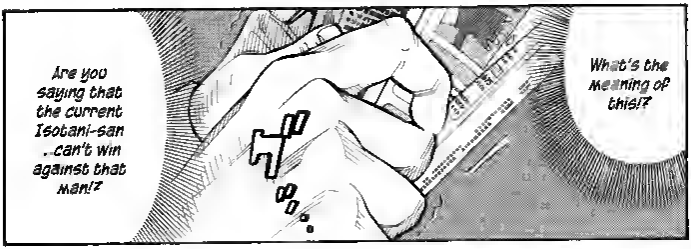
A... Genius?
The current champion is someone they call a genius and who's on a roll right now...

Is about Fifty-Fifty
The outcome...

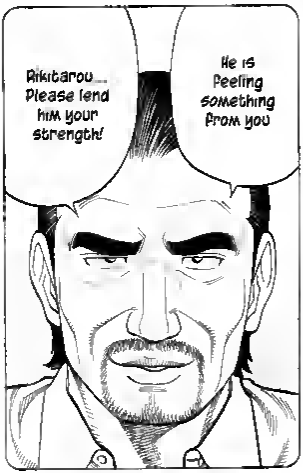


KURIMOTO
TAKASHI
"Am I confident? Of course I am. I'll finish it by the 6th round!"
JAPAN CHAMPION
Kurimoto Takashi, 21 years old
8 wins, 0 losses, 4 KO...

How will Isotani, who is past his peak, challenge the hope of Japanese boxing?
He began boxing when he was a child, and as an amateur he was a three time high school champion
Afterward, he exhibited extraordinary ability, accumulated victories, and this year he finally seized the champion belt...



Are you saying that the current Isotani-san ..can't win against that man!?
What's the meaning of this!?



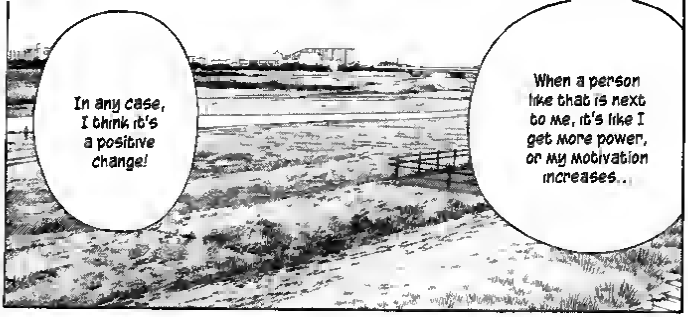
He is Peeling something from you
Rikitarou... Please lend him your strength!

It's "Peeling"
Right now.. What Kazuhiko needs is not strength or techniques

What is it that I can do for him...!?
I want to lend it to him... I do, but...

Erika... Was really happy that she can meet Aozora-chan!
Right about now, I wonder if she's going all out to make that spa-ghetti!
What are you talking about!?
If there's anything I can do for you, I'll do it!
But... Sorry to be making you do this on a Sunday!
You're even going along with me for roadwork...
I don't really know what I should do... Sorry!
--Having said that

Hahaha!
Just you being here with me, Iwamaki-kun, gives me enough strength!
What do you mean by that ～～～!?
Please say something more specific!
Yeah～～～～ Iwamaki-kun You're growing at a tremendous speed right now
As a boxer...
And as a human being!
I feel it on my skin being close to you
You don't realize it yourself?
Hmmm
True, I've become stronger than before



In any case, I think it's a positive change!
When a person like that is next to me, it's like I get more power, or my motivation increases...

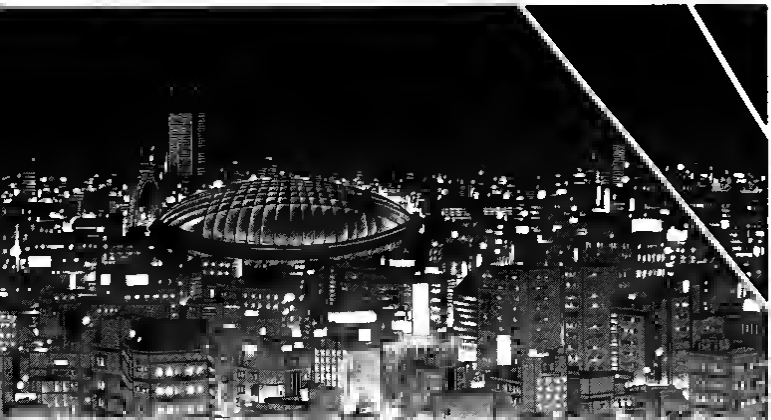
Even Thunder-san, when he noticed it, returned to boxing and came alive again...
Think about it! Of course, there's Aozora-chan, but also

I... Is that so?
I'm embarrassed
I think they all got some power from you or were able to change thanks to you!
Mori-kun, the housewives.. The TV people--
The president and Hijiri-chan are welcoming you so much they even let you stay with them

Will you become my second?
And so... That power
I want you to share it with me during the fight
Meaning?
Me ...!?
Se... Second ...!?
The president and Thunder-san will be there, so you don't have to worry about anything technical!
Wait, wait.. I don't know anything about that ...

No matter how much I'm hit... How many times I'm knocked down...
Every time I come back to my corner, you should just
It's a simple matter!
"You are the best in the world!!"
Keep whispering in my ear
Just that!
Just that...?
J...

I accept gladly!
I under-stand!
I'm saying this seriously?
...



KAZ

The semifinal is about to end... Are you ready?

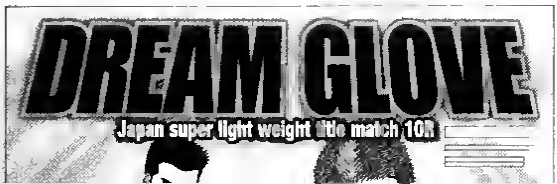
ROUND.46 GENIUS VS. SAMURAI
Damn, a lot of people here... Is something like this rare in boxing?
That it is! The genius champion vs the KO samurai, it's the golden card!
The last champion was too afraid of Isotani's hard punching, and kept running away, right?
The fact that he promptly accepted Isotani's challenge... means that Kurimoto is very confident~~
I hope he defends quickly and aims for the world!

Although Isotani hasn't lost lately, he seems kinda bleh... If only he had his previous momentum...

In the fighting world, there are no "IPS" or "buts"!

How strict —!



I'M only here for moral support, how is me being nervous going to help?
